SCHOOL TUITION ORGANIZATION FAQs

How do I apply for a tuition grant/scholarship from an STO?

- The application process and submission deadline vary by STO. Application forms are available in the Trinity Christian School office and on most STO websites. The State of Arizona requires the applicant to submit certain financial information as part of the application process.

What factors are considered when awarding a tuition grant/scholarship?

- Each STO sets their own criteria. These may include, but are not limited to: financial need, merits of the student, scholastic ability, leadership, community involvement, other family needs (e.g. financial, health, employment) and donor recommendations.

How does the “donor recommendation” process work?

- A donor may specify a particular school or student on the STO donation form. A donor may not make a recommendation on behalf of their own dependent. STOs cannot award, restrict, or serve scholarships solely on the basis of donor recommendation.

SAMPLE DONATION LETTERS

Sample Letter 1 — Tax Credit Focused

Timing: End of the Year

Hello Family and Friends,

It is hard to believe this year is almost over. We are all doing well and pray you are, too. [Child 1's name] is enjoying his/her [school year, ex: 7th grade, sophomore] year at [Name of School]. He/She [discuss school activities, participation or interests]. [Child 2's name] is in [school year, ex: 7th grade] at [Name of School]. He/She [discuss school activities, participation or interests]. [You may want to include other pertinent family updates here].

[Name of child/ren] would not have been able to attend [Name of School] for the past [# of years] years if it were not for the scholarships he/she/they received from Arizona Christian School Tuition Organization (ACSTO). This has only been possible because Arizona taxpayers like you gave a tax credit donation to ACSTO, which then awards scholarships to students attending Christian schools.

When you give a tax credit donation to ACSTO, you receive a dollar-for-dollar tax credit against your Arizona income tax obligation. This truly reduces your state tax responsibility. So, when you file your state taxes, if you typically receive a refund — your tax credit donation will increase your refund. If you owe the state, you either reduce the amount you pay or end up with a refund!

As a taxpayer, you have to pay your taxes anyway, so why not donate this money instead of giving it to the state? *Making a tax credit donation costs you nothing extra.* You can even recommend [Name of child/ren] to be considered for a scholarship.

For [current tax year], a married couple filing jointly may donate up to [current tax credit maximum — refer to our donation card or website] and a single taxpayer may donate up to [current tax credit maximum — refer to our donation card or website], or their actual tax liability (whichever of these is less). You may donate before the end of the year, or before filing your taxes (no later than April 15) and still claim the credit for the previous tax year.

Please read the enclosed brochures for more information about ACSTO and the donation process. You may also visit their website at ACSTO.org. To donate, complete the form in the donation brochure or donate online. Please be sure to recommend [Child 1's name] and/or [Child 2's name] for a scholarship. It is important to specify [Child 1's full name @ school] and/or [Child 2's full name @ school]. We encourage you to discuss this great tax credit opportunity with your tax advisor. The state of Arizona also offers tax credits for public schools, charitable organizations, foster care organizations, and military families. You can participate in all of these as long as you do not exceed your state tax liability (see Arizona Tax Form 140, "Balance of tax").

Donor information is confidential, so please do not feel obligated to participate. We understand it may not be financially possible for you to donate at this time, but keep in mind this tax credit opportunity is always available. If you can donate, we would love for you to let us know so we can thank you! Remember, this donation will essentially cost you nothing in the end, but will make a huge difference in the life/lives of [Name of child/ren]. If you know others who may benefit from this tax credit, please share this information with them.

On behalf of our entire family, thank you for considering this wonderful opportunity. If you have any questions, feel free to call [Parent name] at [phone number], [Parent name] at [phone number], or email us at [email address].

Sample Letter 6 — Spiritual Focused

Timing: End of the Year

Hello Family and Friends,

Did you know as an Arizona taxpayer you can support Christian Education by making a tax credit donation? Arizona taxpayers can take advantage of tax credit donations to certified organizations such as **Arizona Christian School Tuition Organization (ACSTO)** to be used as scholarships for students in private schools. Over the past **[# of years]** years, our child/children **[Name of child/ren]** has/have benefited greatly from these scholarships, making it possible for us to afford the best education for him/her/them. As a family, we love **[Name of School]** because **[explain]**.

[Child 1's name] is now a **[grade, ex: 7th grader]** at **[Name of School]** and **[Child 2's name]** is in **[grade, ex: 7th grade]** at **[Name of School]**. We know our child/children is/are receiving an excellent education in a loving and nurturing environment, as well as developing skills to equip him/her/them to live in the world as we know it. Most importantly, *he/she/they is/are growing spiritually*. Our goal is to keep him/her/them enrolled in Christian school through the 12th grade. We have seen **[Child 1's name]** grow in his/her relationship in Christ and accept Him as his/her Savior when he/she was **[age]**. **[Provide information about your child's character, activities in school and/or church]. [Discuss other children as well]**.

Please consider donating to ACSTO to help scholarship **[Child 1's name]** and/or **[Child 2's name]** while receiving a **dollar-for-dollar tax credit** against your Arizona income tax liability. This allows you as a taxpayer to donate a portion or all of what otherwise would be your state income tax payment. We believe this is a great way to impact our child's/children's life/lives both academically and spiritually.

Please read the enclosed brochures for more information about ACSTO and the donation process. You may also visit their website at acsto.org.
